Les Petits Ecoliers in Ware

We are pleased to report that our project to open a new branch of Les Petits Ecoliers in Ware is progressing well. The location for the new school will be Tower Primary School in Ware and we have already engaged two teachers.

We are still looking for more teachers and assistants, so please get in touch if you know anyone with qualifications or experience who would be interested in this opportunity.

Teacher training with FLAM

We recently attended the second event organised by FLAM (Français Langue Maternelle) in London. FLAM is an organisation which brings together all the small French schools around the United Kingdom. The organisation is supported by the French Embassy's cultural division. These events provide schools such as ours the opportunity to exchange tips and ideas. For more information, visit parapluieflam.org.

Together with the AEFÉ (Association de l'Enseignement Français à l'Étranger), FLAM is organising a day of teacher training in June. The training will specifically cover the challenges of teaching bilingual children. We are pleased to say that several of our teachers will be attending this training.
